Ms. Elizabeth H. McPherson
Deputy Director
President's Commission on
White House Fellowships
712 Jackson Place, N.W.
Washington, DC 20503

Dear Ms. McPherson:

In reference to our conversation concerning the White House Fellows' morning meeting at CIA Headquarters, Thursday, 28 April, I have enclosed biographies of Mr. Henry S. Rowen, Chairman, National Intelligence Council, and Mr. David D. Gries, National Intelligence Officer for East Asia.

Since our Deputy Director of Central Intelligence, Mr. John N. McMahon's schedule precludes him from meeting with your group, Mr. Rowen will greet the White House Fellows followed by Mr. Gries briefing them on East Asia. Then, as you requested, two classified films will be shown from 12:00-12:45 p.m.

We look forward to meeting with you and hope to have an informative program for the White House Fellows.

Sincerely,

Public Affairs
